### WSFT Exploring the Freshwater

National 4 Biology: Life on Earth

1) Animals and Plants depend on each other

SQA Suggested learning activity

- Investigate a variety of ecosystems
- Use sampling techniques

Booklet can be used to investigate freshwater ecosystems using pond dipping or kick sampling techniques.

### WSFT Exploring Shoreline

1) Animals and Plants depend on each other

SQA Suggested learning activity

- Investigate a variety of ecosystems
- Use sampling techniques

Booklet can be used to investigate marine ecosystems using quadrats and identifying the organisms found in the quadrats

### WSFT Exploring Moorlands

1) Animals and Plants depend on each other

SQA Suggested learning activity

- Investigate a variety of ecosystems
- Use sampling techniques

Booklet can be used to investigate moorland ecosystems using quadrats and identifying the organisms found in the quadrats
